

1. Portal Screen Default Display

(2) Portal top screen (after login)

After logging in from the pre-login portal top page, a screen tailored to the specific user type (student, faculty, staff, administrator) will be displayed.

Login page

Portal top page

Using the top menu, you may navigate quickly to the desired feature.

The layout uses icons to represent features, making visual identification easy.

The main view in the center is used to display schedule details and other portal system information.

By default, the commonly used menu, What's New and Schedule features are shown to the side, allowing easy access even while using other features.

2. Page Regarding Main Features

(1) Navigation Menu

Following navigation menu will be shown on the portal top page.

By clicking each icon, functions will be displayed on the green bar.

3. Main Features

(17) Forum/Topic List

The forum list is displayed on this screen.

➤➤ In the case of administrators and moderators

➤➤ In the case of target users

Users may view each forum to which they have access.

Administrators and moderators create and change settings for topics.

- ① A list of forums is displayed on the left of the screen. (General forums [Notices] show a blue icon, general forums show a green icon, and course forums show a pink icon. Clicking a forum link will display the topics for that forum on the right side of the screen.
- ② Click the "Add topic" or "Change" button to display the topic registration screen.
- ③ Clicking the topic name or a recent comment link will display the comment screen.
- ④ The order of topics displayed may be changed by changing the setting at the top of the topic list screen. (by Arrival, by Post date, etc.)
- ⑤ Only the general forum (notices) may be accessed without login authorization. Content may only be viewed and none of the setting buttons will be displayed. RSS feeds will only include the general forum (notices) as well.

3. Main Features

(18) Forum / Topic Registration

This screen is used to enter the basic information and any starting comment for the forum topic.

Administrators and moderators create and change settings for topics.

- ① Please enter the necessary information to complete registration.
"Publication status" controls the topic's display in the topic list.
"Post topic from/to" is used to specify publication beginning and end dates.
- ② If a general forum (notices) topic is set to "send mail", enter the details of the e-mail details. If not set to send mail, these details will not appear.

3. Main Features

(19) Forum / Comment List (General Forum (forum) or Course Forum: flat display)

You may view a list of general forums or course forums (flat display) as well as leave comments.

The screenshot shows a forum page titled 'フォーラム' (Forum). At the top left, there is a 'Topic' dropdown menu with 'new topic' selected. To the right are buttons for 'Flat display', 'Threaded display', 'Add comment', and 'Back'. The main content area is titled 'new topic' and contains two identical comment entries. Each entry has a title 'No.1 Comment posted by:TeacherOrStaffName 0980243 (0980243)', a date 'Posted on 2014/09/09 (Tue) 18:57', and the content 'test'. Below each entry are links for 'Send a report on this article.' and 'Leave a comment on this article. / Edit / Delete'. At the bottom of the main content area is a 'Comment field' with three radio buttons: 'New comment', 'Leave a comment on article no.' (with an input field), and 'Send a report on article no.' (with an input field). There is also an 'Edit article no.' option with an input field. A large text area for the comment is provided, along with a 'Submit comment' button and a 'Back' button at the bottom right.

④ Report comments will appear in red text.

This close-up screenshot shows a comment entry where the title 'No.6 Comment posted by:TeacherOrStaffName 0980243 (0980243)' is highlighted in red. The comment content is '>>1 NG.'. Below the comment are links for 'Send a report on this article.' and 'Edit / Delete'. At the bottom is a 'Comment field' with three radio buttons: 'New comment', 'Leave a comment on article no.' (with an input field), and 'Send a report on article no.' (with an input field). There is also an 'Edit article no.' option with an input field. A large text area for the comment is provided, along with a 'Submit comment' button.

Administrators, moderators and target users may post comments.

- ① Clicking the "Add comment" button or the "Leave a comment on this article", "Send a report on this article" or "Edit" links to jump to the comment entry form at the bottom of this page.
- ② Please complete the required fields and click the "Submit comment" button.
- ③ To change the display type, click the "Flat display" or "Threaded display" buttons.

3. Main Features

(19) Forum / Comment List (General Forum (forum) or Course Forum: threaded display)

You may view a list of general forums or course forums (threaded display) as well as leave comments.
