1. Courses Open to Non-Degree Status Students

Regular courses scheduled to be offered in AY 2022

2. Admission Capacity

A limited number

3. Application Qualifications

Individuals who satisfy one of the following requirements:

- (1) Individuals who have graduated from universities described in Article 83 of the School Education Law of Japan, or those who are expected to graduate from one by March 31, 2022
- (2) Individuals who have Bachelor's degrees under Paragraph 7, Article 104 of the School Education Law of Japan, or those who are expected to earn one by March 31, 2022
- (3) Individuals who have completed sixteen years of school education outside Japan, or those who are expected to complete the said school education by March 31, 2022
- (4) Individuals who have completed sixteen years of school education of foreign countries through correspondence courses while living in Japan provided by schools in the relevant countries, or those who are expected to complete the said school education by March 31, 2022
- (5) Individuals who have completed a university program of a foreign educational institute located in Japan (limited to programs which students having completed are recognized as having completed sixteen years of school education of relevant foreign countries) authorized by the school education system of relevant foreign countries as those having university programs, and designated separately by the Minister of Education, Culture, Sports, Science and Technology, or those who are expected to complete the said program by March 31, 2022
- (6) Individuals who have earned a degree equivalent to Bachelor's degree at a foreign university or other school (limited to institutes which, in terms of comprehensive status of the education and research activities, have been evaluated by the relevant government or by persons certified by the appropriate organization of the relevant foreign country, or which have been designated separately by the Minister of Education, Culture, Sports, Science and Technology as being equivalent thereto) by completing a program with an enrollment period of at least three years, or those who are expected to earn one by March 31, 2022. (This includes those who have completed a foreign program while living in Japan through correspondence courses provided by a school in the relevant country or completed a program in an institute authorized by the school education system of the relevant foreign country and designated as described in the preceding Item)
- (7) Individuals who have completed specialized programs of specialized training colleges (limited to programs which satisfy the criteria established by the Minister of Education, Culture, Sports, Science and Technology, such as an enrollment period of four years which is required for completion of the relevant programs) designated separately by the Minister of Education, Culture,

Sports, Science and Technology, after the date determined by the Minister of Education, Culture, Sports, Science and Technology, or those who are expected to complete the said program by March 31, 2022

- (8) Individuals who are designated by the Minister of Education, Culture, Sports, Science and Technology, under the Ruling on the Implementation of the School Education Law of Japan, Item 6, Paragraph 1, Article 155 (Notification No. 5, Ministry of Education, 1953)
- (9) Individuals who have been admitted to graduate schools in accordance with the provisions of Paragraph 2, Article 102 of the School Education Law of Japan, and who have been recognized by the University of Aizu Graduate School as having scholastic ability appropriate for education at the University of Aizu Graduate School
- (10) Individuals who will have reached the age of 22 as of March 31, 2022 and are recognized by the University as having academic achievements equal to or higher than those of a university graduate through an individual inspection of the admission qualifications
- (11) Individuals satisfying any of the following requirements as of March 31, 2022 and who are recognized as having earned academic credits for courses designated by the University of Aizu Graduate School with excellent results
 - a. Individuals who have been enrolled at a university described in Article 83 of the School Education Law of Japan for at least three years
 - b. Individuals who have completed 15 years of course work of school education abroad
 - c. Individuals who have completed 15 years of school education of foreign countries through correspondence courses while living in Japan provided by schools in the relevant countries
 - d. Individuals who have completed a university program of a foreign educational institute located in Japan (limited to programs which students having completed are recognized as having completed 15 years of school education of relevant foreign countries) authorized by the school education system of relevant foreign countries as those having university programs, and designated separately by the Minister of Education, Culture, Sports, Science and Technology

4th Quarter Admission: Friday, October 21, 2022 (as postmarked on the envelope)

(Applicants residing outside Japan)

1st Quarter Admission: Friday, October 22, 2021

2nd Quarter Admission: Friday, February 4, 2022

3rd Quarter Admission: Friday, April 22, 2022

4th Quarter Admission: Friday, August 5, 2022

(3) Applications must be sent to:

Student Recruiting Section, Student Affairs Division, The University of Aizu
Tsuruga, Ikki-machi, Aizu-Wakamatsu City, Fukushima, 965-8580 JAPAN

(4) Application Documents (Fill in the provided forms clearly either in Japanese or in English.)

a. Admission Application Form (prescribed form)

b. Application Fee: 9,800 yen (for AY 2021)

The application fee should be paid to the bank account designated by the University of Aizu as noted below. Please make sure to attach proof of payment of the fee to the back of the admission application form.

(Applicants residing in Japan)

Bank Name: Toho Bank, Aizu Branch

Account Number: 2268703

Account Holder: The University of Aizu

SWIFT code: TOHOJPJT

(Applicants residing outside Japan)

Bank Name: Mizuho Bank, LTD., Aizu Branch

Account Number: 1178709

Account Holder: The University of Aizu

SWIFT code: MHCBJPJT

* For notes on money transfers to be made by applicants residing outside Japan, please refer to item a. of (5) "Points to note" below.

* The application fee for AY 2022 (the amount and the method of payment) is subject to change.

c. Academic Transcript and (Expected) Graduation Certificate issued by the highest educational institute in which an applicant was (have been) enrolled.

An applicant from a foreign university must also submit (Expected) Certificate of Bachelor's degree.

- * Not necessary for those who are expected to graduate from the University of Aizu by the end of March or the end of September, 2022.
 - d. Curriculum Vitae (prescribed form)
 - * Not necessary for those who are expected to graduate from the University of Aizu by the end of March or the end of September 2022.
 - e. A copy of an official certificate of English proficiency test (TOEIC, TOEFL, IELTS, Duolingo, etc.) from within two years of the application deadline
 - * (Applicants without Japanese citizenship)

Following documents are also required.

 - f. Statement of Financial Support (prescribed form)

The provided form should be filled out by applicant's sponsor.
 - g. Documents proving assets of applicant's sponsor. Some examples of the proof are listed below.
 - Certification of the balance of a sponsor's account issued by a financial institute written in English. The sponsor's name, account balance and the date have to be included in the certification.
 - Certification of employment and annual income of a sponsor issued by the sponsor's employer written in English.
 - h. A photocopy of a passport, a certificate of residence, or residence card. Some examples of the proof are listed below.
 - The page of applicant's passport carrying applicant's name and nationality.
 - Certificate of residence (including permanent residence address).
 - Applicant's residence card or identity card.
- (5) Points to note
- a. When paying by international remittance, please assure that the remitter name is identical to the applicant name, that the amount deposited in the designated account is 9,800 yen, and attach documents verifying this remittance to the application package.

If the remitter name is different from the applicant name, contact the Student Recruitment Section <admission@u-aizu.ac.jp>. If possible, add a comment to the remarks field on the remittance request form that the remittance is an application fee.

Since an application cannot be accepted if the full examination fee is not received due to the deduction of remittance fees, make certain to inform the financial institution that the applicant will bear all remittance fees.

Further, please note that in the event that the bank where the remittance is requested cannot directly transfer funds to the account specified by the University, intermediary financial institutions will require payment of handling fees.
 - b. Incomplete applications will not be accepted. Once received, any change in the contents of the application documents will not be accepted.

In the case of a change in applicant's address or contact address, an applicant should report this

information immediately to Student Recruiting Section of the University of Aizu.

- c. Late applications will not be accepted.
- d. Once received, the application documents and application fee will not be returned under any circumstances.
- e. Should any false statements be discovered in the application documents, admission may be denied, even if admission has been approved.
- f. Applicants with handicaps who may require special considerations to be given for studying at the University must submit a consultation application (no prescribed form) that describes the items listed below to the Student Affairs Division of the University of Aizu.
 - Applicant's name and address (including applicant's contact telephone number)
 - The name of the educational institute from which the applicant graduated
 - Types and seriousness of disability (those who receive medical treatment must attach a medical certificate.)
 - Specific items requiring special considerations for studying at the University
 - Special measures that had been taken at the educational institute, etc. from which the applicant graduated
 - The applicant's state in daily life
- g. International students must apply for enrollment in courses for a total of at least six academic credits per quarter. (Registration for 10 hours or more in real-time class per week is required to obtain the status of residence for study in Japan.)

5. Selection Method

Successful applicants shall be selected based on screening of documents submitted. If there is something unclear about the documents, applicants may be asked detailed questions over the phone, e-mail, Skype, etc. Even if an applicant passes the selection process, admission to the University of Aizu will be revoked if the applicant is unable to receive a certificate of eligibility for residence in Japan due to reasons such as their lack of ability to pay their expenses.

6. Announcement of Successful Applicants

A notification shall be made to each successful applicant after the selection.

7. Admission Procedures

(1) Admission Procedures and the Period for Completion of Admission Procedures

Documents necessary for admission and the period for completion of admission procedures will be notified when the successful notification is sent to each successful applicant.

Should any individual fail to complete the admission procedure by the prescribed date, the individual shall be regarded as having declined enrollment in the University.

(2) Where to Complete the Procedure:

Student Recruiting Section, Student Affairs Division, The University of Aizu

Tsuruga, Ikki-machi, Aizu-Wakamatsu City, Fukushima, 965-8580 JAPAN

(3) Admission Fee: 28,200 yen (for AY 2021)

Admission fees must be paid to the designated bank account by the deadline.

(4) Tuition: 14,400yen per credit (for AY 2021)

Students will be requested to pay the tuition in one lump sum for the credits by the last day of the month they are admitted to the University.

International students must pay 86,400 yen (six credits) into designated bank account by the admission deadline. Those who wish to take academic credits over six must pay the additional tuition fee by the last day of the month they are admitted to the University.

* The admission fee and tuition for AY 2022 (the amounts and the method of payment) are subject to change.

* Once received, admission documents will not be returned under any circumstances.

* Once received, admission fees will not be returned in principle.

8. Other

(1) Living Expenses

Approximately 50,000 - 100,000 yen per month is necessary for living expenses, excluding tuition.

(2) Handling of Personal Information

Personal information shall be handled in accordance with the "Act on the Protection of Personal Information Held by Independent Administrative Corporations" and the "Regulation on the Protection, Etc. of Personal Information Handled by The Public University Corporation, The University of Aizu."

Personal information provided by applicants including their names, addresses, etc. shall be used for clerical works related to selection of successful applicants, announcement of successful applicants, and admission procedures. Additionally, in regard to the enrolled students, personal information acquired upon reception of applications shall be used for the purposes such as academic affairs (learning guidance, etc.), student support (enrollment, health management, tuition waiver, scholarship applications, selection of dormitory residents, etc.), and collection of tuition.
