

Don't study Japanese !

FREE!

Who is this guy?

Name: Mai Hoang Duc
Hometown: Vietnam
Lab: Computer Communication Lab.
Supervisor: Anh T. Pham
Job: Engineer at Alps Alpine
JLPT: let's guess :D

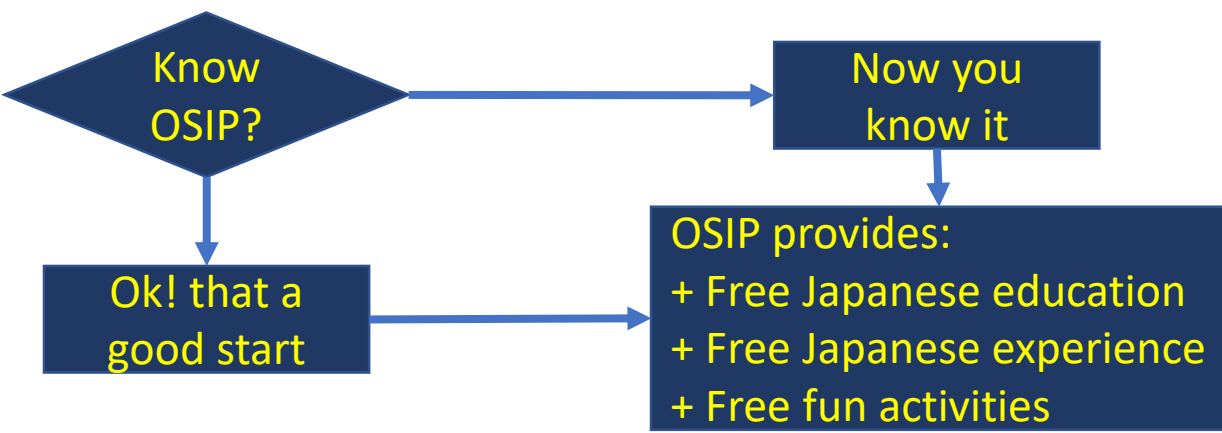

Don't be like this guy

How I learn Japanese?

- + Go to Japanese course -> a lot of money ☹️
- + Listen to anime -> good for someone who have a Japanese basic
- + Learn by my self -> time consuming, inefficiency

How to learn Japanese efficiency?

袋は入りますか？

Have you ever heard about this when you are shopping in a supermarket?

Have you ever got out of the supermarket without a bag?

Do you feel like you are a dummy in Japan?

Do you ever stay in a group talk and feel like a dummy?

Benefits of learning Japanese:

- + Exercise your brain
- + More language more attractive
- + Learn from local people
- + Get fun things in Aizu

And more!
